

# COVID-19 RESOURCES

The use of these resources should never be used for urgent matters. If you are experiencing a life-threatening illness or injury or a condition you want assessed quickly, go to the nearest hospital emergency department and/or dial [9-1-1](#) for immediate attention.

The resources provided are for reference only in an attempt to connect you with information from public and private professional resources within the community and on the web relevant to the current COVID-19 situation.
